- You will receive enquiries for trial/demo classes through mails / messages / calls.
- You will continue the home tuitions after receiving final confirmation from us.

OUR CHARGES / FEE AS FOLLOW:

- **Scenario 1: On the basis of Monthly Tuitions**
 - **Option - A**
 - We charge 50% of the 1st month & 25% of the 2nd month. Or, if anyone wants to make onetime payment, the charges would be 70% of the 1st month and there is no other fee further.
 - or
 - **Option - B**
 - We charge 50% of the 1st month & 9% of the subsequent months till the classes remain continue.
- **Scenario 2: On the basis of Short Term Tuitions**
 - We charge 30% of the short term classes (I.e. Revision classes, Crash Course, Doubt clearance classes). The tenure / period of tuitions should not be more than 2 months or 25 classes.

OUR PAYMENT PROCESS:

- No Tutor is authorized to collect any payment directly from Students / Parents.
- No advance payment will be paid to Tutor.
- Tuition India (Gyanet Education Private Limited) will release the payment to Tutor after receiving the same from Parents.
- Our payout to tutors is paid twice a month that is, on the 15th and last days of the every month. For 15th date payout, the payment from parents to be received on or before 12:00pm of 15th date of that particular month. In case the payout is not done on 15th of the month on account of delay in receiving the same from parents, the payment shall be made to tutors after receiving the same from parents on next cycle of payout which is on last day of that particular month.

HIGHLIGHTS:

- We expect every Tutor to be punctual and disciplined with the given assignment.
- We expect every Tutor from our team to comply towards highest level of personal integrity and work ethics while conducting classes/teachings as we feel privileged to be a part of education business which is one of the noblest businesses on this planet. Here we want to emphasize how important it is for us to act with integrity and make ethical decisions for our business, our stakeholders, our employees and our customers, because their trust and confidence is critical to our success.
- We have a zero-tolerance policy towards any anti-integrity /anti-disciplinary issue.
- Tutor must adhere the [Company Policy](#), [Tutor Process](#) and follow the [Terms & Conditions](#) as well.
